Sale Date: _____ Estimated Delivery Date: _____

Building# _____ Size: _____

The Customer is responsible for all underground utilities such as wires and/or pipes. Please have any utilities marked that are near the shed so we do not hit them when installing anchors. Call 811 to mark any large utility lines.

Call ShedPro @ 863-303-4439 if you have any questions or to schedule your anchors to be installed.

Customer Signature: _____
